

第5話「しーさいどうえい / (後編)」

Hinaka and Yayoi  
invited us to go  
cycling at Miura  
Peninsula today,  
but...

I'm Kurata  
Emi, a first  
year in  
university

But during the ride, I was utterly defeated by the seemingly unending hill

With Aoi's advice, I was somehow able to make it to the top...

But I wasn't allowed to rest and had to continue cycling immediately

With food this delicious, I understand though...

Thanks again  
for inviting me  
today!

Eh?

What are  
you talking  
about?

The end?

I didn't know  
there would be  
such a great  
reward at the  
end!

!? '!

Our actual  
goal is still  
to come,  
you know?

Ami, by any chance  
does your  
butt hurt?

# ろんぐらいだあす！ ①

So embarrassing...

It's something everyone goes through

There's a cushion in it, so it should be a bit more comfortable

# ろんぐらいだあす！①

I'm at  
my limit!!

It still hurts!

Ami!

It's gotten a lot  
better, but...

Wow...

ろんぐらいだあす！①

Before this, my longest ride was 38km...

So even I can do it...

Wow...

Good, good, just like that

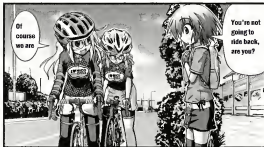

Getzhe, be careful on your way back

I guess we're off to the closest station then

Well then, I guess it's time to head back

Goodbye!

Of course we are

You're not going to ride back, are you?

Eh?

Eh...  
Then...

You rode 50 km to get here...

And then we rode 55 km after that...

# ろんぐらいだあす！①

Here to see you two apart...
